Juvo Tilt & Recline Shower Commode

Product Code: 19JTRC

A manual tilting and reclining shower commode to assist transportation for showering & toileting.

The Juvo Tilt & Recline Shower Commode is a manually operated reclining shower commode designed to provide safe and efficient support for transporting patients during showering and toileting. With its robust construction and a safe working load of 200kg, this commode is specifically engineered to accommodate a wide range of users, ensuring both comfort and safety. It is an ideal solution across various care settings, including home, hospital or aged care environments, where it assists in maintaining the dignity and safety of users in wet environments.

The commode's reclining functionality is particularly beneficial for individuals requiring additional positioning support. The Juvo Tilt & Recline Shower Commode delivers reliability, safety, and peace of mind for both users and carers.
