Juvo Self Propelled Height Adjustable Shower Commode

Product Code: 19ASPSCA

The ultimate shower commode to assist in the transportation of the user for showering and toileting.

The Juvo Height Adjustable Self Propelled Commode is a versatile and durable solution designed to assist with patient transportation for showering and toileting. The commode can be conveniently positioned over a toilet and is built with a robust, total stainless steel frame for longevity. The patented TearSafe design ensures safety by eliminating protrusions, and the 125mm stainless steel castors, equipped with four brakes, enhance stability.

Additional features include swing-back, independently adjustable armrests for easier side transfers and patient access, along with two-position height-adjustable arm-rests for added comfort.

Product Features:

- Height adjustable up to 90mm front and rear axle
- Reinforced seat/back frame
- Swing away, removable and height adjustable legrests with flip-up footplates
- Patented design, no protrusions
- 125mm stainless steel braking castors
- Swing back independent armrests to assist in side transfer and patient access
- Safety arms provide user security & safety
- Stainless steel pan rack guides
- Tested and certified to Australian Standards

Please note that the seat for this product is sold separately (See colours attached)
