

Staebel Handy Legs

Product Code: 210050

An aid to help lift a leg/legs into and out of bed and/or cars.

An aid to help lift a leg/legs into and out of bed and/or cars. Can be used independently or by a single carer.

The Staebel Handy Legs can be used in most situations where you need to raise your legs into bed or onto the couch/sofa but you must have sufficient strength to be able to sit unaided on the edge of the bed.

Depending on your level of independence, you can use the Staebel Handy Legs alone or with a little assistance from a single carer. You may also find it useful to pair the Handy Legs with an Anti-Slip Slide Sheet.

Product Features:

- Wipeclean finish promotes excellent infection control
- Lightweight for easy transportation and access
- Foldable for easy storage
- Anti-slip material ensures stability
- Independent users or single carers depending on the user's independence level
