

# Staebel Perfect Positioner

Product Code: 210340

Designed to help reposition a user seating, enabling carers to easily and comfortably reposition.

Originally designed to help reposition a tetraplegic user in a moulded wheelchair, this unique handling device has been redesigned and now enables carers to easily and comfortably reposition the user accurately at the back of the chair and ensure their pelvic tilt is correct.

## Product Features:

- Specialist fabric ensures patient comfort
- Easy to insert and remove
- Slippery finish makes it easy to hoist patients into comfortable sitting positions
- Accurate pelvic tilt
- Can be used by one or two carers
