

Staebel Zonecare 500 Bariatric Medical Mattress

staebel 

Product Code: 3M9500

Designed to support bariatric patients weighing up to 500kg, offering pressure relief, postural support, and long-term durability.

Built with a four-layered graded foam core, the Staebel Zonecare 500 Bariatric Medical Mattress combines a high weight capacity with patient comfort, making it ideal for high-dependency and long-term care settings. Each layer works in unison to promote pressure redistribution, reduce shear, and enhance stability. Using proven foam formulations, the Zonecare 500 delivers consistent performance under high load conditions. The foam core conforms to key safety and quality standards (AS/NZS 4088.1 (Int):1993 and FMVSS302 & SAE T2002) and includes anti-microbial treatment to protect both patient and product longevity. Paired with high-performance cover

materials, this mattress meets the rigorous demands of clinical use while prioritising patient well-being.

Product Features:
